

**WISE ALLIES**  
L A W F I R M

# A fully fledged commercial law firm at your service.

Wise Allies started when two partners coming from different law firms converged and decided to join their long expertise to transform the way law was practiced in Saudi Arabia. Our ambition was to break the common understanding of law offices in Saudi Arabia by being the first to establish a boutique law firm that covers a variety of specialties. We started by dreaming of becoming a leading corporate and litigation law firm that provides thorough legal services that surpass the requirements of private and public businesses, governmental institutions, and individual clients within the Kingdom of Saudi Arabia and around the world.

With our wide range of services, Wise Allies has grown to serve all sectors when tasked with particular obligations and requirements.

Our focus, dedication, and drive ensure that the level of expertise we deliver is of the highest standard. The experience we have gathered has brought exceptional knowledge that enables us to handle complex projects with the help of valuable experience and continuous drive to achieve the best possible outcome for our clients.

Wise Allies Law firm has grown to the point we are dedicated to offering attorneys and counsels that provide the highest quality of legal services with competence spanning through all industries, supported by a solid dedicated litigation department.

---

We are dedicated to be a law firm that is honest and loyal in providing security by building a long-lasting relationship with our valued clients through authenticity and modernity.

Moreover, we strive to become one of the top professional law firms in Saudi Arabia and the great GCC region as we provide high-quality services that surpass international standards while still maintaining our national values.

To be the number one law firm that a client approaches when they seek to address their legal concerns and meet their requirements in the best possible way.s.

---

To establish ourselves as a reliable premium legal law firm of every specialty ensuring top quality servicing of our clients in a fully-integrated servicing network.

---

To hire, train and promote national and expatriate employees to provide premium quality services to our clients.

---
